The Perfect Light Wind Accomplice

Re-launch is surprisingly quick and easy considering its size, simply by turning the bar or using the Re-launch Balls on the leader lines the kite smoothly lifts off the water ready for more action. The Zephyr V7 is the perfect accomplice for when the wind is looking light or unstable, it will get you out enjoying the conditions for any length of time whatever the style you choose to ride. Or if you mainly ride in light wind spots and are looking for an all-round one-kite quiver, this is the kite for you.
